

# Schooling the Symbolic Animal: Social and Cultural Dimensions of Education

This anthology introduces some of the most influential literature shaping our understanding of the social and cultural foundations of education today. Together the selections provide students a range of approaches for interpreting and designing educational experiences worthy of the multicultural societies of our present and future. The reprinted selections are contextualized in new interpretive essays written specifically for this volume.

dealing explicitly with pedagogical issues in the Social Foundations classroom, and poetry. Articles are expected to be Pp. 77-82 in *Schooling the Symbolic Animal: Social and Cultural Dimensions of Education*. Edited by Bradley A.U.
