

ECON for Macroeconomics (with Premium Website Printed Access Card)

Student-tested and faculty-approved, ECON FOR MACROECONOMICS is an innovative approach to teaching principles of macroeconomics. This brief paperback includes a suite of learning aids to accommodate the busy and diverse lifestyles of today's learners, including downloadable flash cards, graphing exercises, review cards, and quick quizzes that allow students to study wherever they are and whenever they have time. Designed to reach today's students, ECON says it all in four letters, reflecting how this unique solution speaks in the language of today's learner. ECON for MACROECONOMICS started with student conversations, focus groups, interviews, surveys, and input from nearly 150 faculty members like you. This feedback, along with the authors' accessible approach, is united in an innovative, visually rich, professional design that reads like a business periodical. ECON FOR MACROECONOMICS provides a streamlined, concepts-driven format. Choose this text for the unique principles of macroeconomics solution that you and your students have created together.
