Despite his family's fierce disapproval and rejection, Johnny Wilson has become Dom Eric Mendez's submissive lover. The path of sexual self-discovery isn't easy, but having embraced his true nature, Johnny is hungry for more. Submissives have always been a dime a dozen to Eric, a man used to taking what, and who, he wants. Guys line up for the opportunity to kneel at his feet, to feel his whip and to obey his every command. Eric takes Johnny on an intense journey into erotic surrender and sensual control. But the inexperienced Johnny brings a new dimension to Eric's dominance—the element of love. *Golden Man* can be read and enjoyed as a stand-alone book.
