

Seeing Your Face Again (The Beiler Sisters)

Debbie Watson is a new convert to the Amish faith and still learning the plain ways of the community in Snyder County, Pennsylvania. She has already attracted two suitors: the insecure but lovable farmer, Alvin Knepp, and the brash Paul Wagler who reminds Debbie of the boyfriend she happily left behind in the English world. When Alvin leaves the community for the big city, Debbie is crushed. Though her heart is with Alvin, she considers Paul's continued interest in her. Should she simply give in and marry Paul or wait to see if Alvin comes home? *Seeing Your Face Again* is another Amish fiction treat you'll love. With Jerry Eicher's sales at more than half a million books, his Amish fiction fans continue to wait eagerly for his next heart-felt story, brimming with the authenticity he brings from his own Amish background.
