

Highland Outlaw (Campbell Trilogy Book 2)

Handsome and dangerous, Patrick MacGregor is a wanted man, possessing the tough, tenacious spirit of his outlawed clan. He will stop at nothing to save his people from destruction, even if it means marrying Elizabeth Campbell, the daughter of his worst enemy. Yet the flaxen-haired beauty disarms him from the start. Her sweet, unspoiled softness touches the cold depths of his ravaged soul and makes him want much more than revenge. Inside the shy and dutiful Lizzie is a passionate woman longing to emerge, a woman ready for love. So when the piercing emerald eyes and searing kiss of a stranger spark in her a desperate hunger, she surrenders to Patrick's glorious seduction unaware that his daring deception has just found its one and only chance for redemption: a love more powerful than hate.
