

# Professional English

Students need both strong language and computer skills to succeed in today's information economy and digital workplace. Professional English provides a comprehensive review of English grammar fundamentals and usage. The text allows maximum flexibility for instructors to customize their course around student abilities. Each chapter has been revised to incorporate the most up-to-date Internet coverage. In addition to providing the most comprehensive Web site available, the text features Mary Ellen Guffey's highly acclaimed three-level approach to teaching course concepts. This unique feature allows students and instructors to measure their progress from basic concepts to more complex language issues.
