

Dare to Dominate

Jonathan Goldmans sexual fantasies are colored with dominant dreams of enslavement and control. As a liberated man who admires and adores women, his fantasies leave him feeling confused and ashamed. On a chance meeting abroad, his world is ripped wide open by Laurel Jordan, a free spirit who joyfully embraces her sexually submissive nature. The sparks that fly between the pair set them both on fire. While Jonathan explores his dominant sexual impulses, Laurel finds her careful facade being cracked by the only man ever to get close enough to break her heart. As Jonathan and Laurel move from casual BDSM play to a more serious D/s relationship, each is forced to decide if this is merely a game or a way of life and ultimately, of love.
