Sleiman's Valiant Hearts Series Offers Unforgettable Heroines Strong and adventurous Gwendolyn Barnes longs to be a knight like her chivalrous brothers. However, that is not an option for her, not even in the Arthurian-inspired Eden where she dwells. Her parents view her only as a marriage pawn, and her domineering father is determined to see her wed to a brutish man who will break her spirit. When handsome, good-hearted Allen of Ellsworth arrives in Edendale searching for his place in the world, Gwendolyn spies in him the sort of fellow she could imagine marrying. Yet fate seems determined to keep them apart. Tournaments, intrigue, and battles--along with twists and turns aplenty--await these two as they struggle to find love, identity, and their true destinies.
