

Contemporary Ergonomics

This is a volume in the international Contemporary Ergonomics series, which forms a record of the proceedings of the Annual Conference of the Ergonomics Society, held at Warwick in 1994.; The refereed contributions cover the full spectrum of current experience and practice in ergonomics, and its relevance to the workplace, industry, transport, the home and leisure pursuits. The keynote address is entitled Function Allocation in Manufacturing by Colin G. Drury of the State University of New York, USA.
