

Creating Portfolios for Success in School, Work, and Life (Free Spirited Classroom)

A portfolio is a powerful tool for learning, assessment, and self-discovery. In some school districts, portfolios are being mandated into the curriculum. The 12 in-depth exercises in this hands-on Student Workbook lead students through the process of preparing four different types of portfolios: personal, student, project, and professional. Includes reproducible handout masters.

Portfolios as a bridge from kindergarten to primary school]. University of Electronic literacy portfolios: technology transformations in a first-grade classroom.
