Rachel has a perfect marriage: a loving husband, a nice house. But she craves a more provocative sexual experience in the bedroom. An experience her husband is forced to watch.. Excerpt: Rose stroked Anthony rhythmically now, smiling as he grew fully erect in her fist. She took notice of his face, a distinct mix of horror as he watched another man lick his wives pussy, and pleasure as Rose twisted her fist up and down his shaft. His hips bucked forward slightly, unable to control his body as she continued to jerk her fist. She leaned in and wrapped her lips around the tip of his cock briefly to wet it. A deep moan rumbled from his chest as she suckled her lips on his tip before releasing her suction. Just getting it wet, she said as his rigid cock slipped out of her mouth with a loud POP worthy of a porn video. Her smile took on true pleasure as she watched his dazed look and worked his now-slippery shaft. Behind her, Rachel moaned, and Rose turned to see Anthony's wife completely spread eagle on the couch, Jimmy's head rocking up and down as he darted his tongue along her slit. Rachel's eyes would briefly flutter closed in pleasure, but she worked to keep them open so she could watch Anthony's reactions to her every moan and quake of her body Husband Submits I make the rules around here and you abide by them. Got it? Nothing turns Stacey on more than dressing her husband, Ted, in leather, sticking him in the corner, and watching him whimper as she pleasures another man. But when her new sex toy Ian arrives, things get steamier than usual and Ian is

forced to learn the rules quickly....or be punished. Excerpt: Ted watched her as she twirled the tip of Ians cock up and down her slit. Ian bucked his hips up slightly, daring to dip in to her wetness. He wondered just how long Ian would be able to last as she tortured him with her delicious pussy. Mmmmm, Stacey slid the tip of Ians cock inside her and made sure to give Ted the closest view possible as she got stretched wide around his shaft. Ian gasped as he clutched at her hips. Ted watched as Ians whole body stiffened, he knew that feeling, that feeling of finally sinking his cock into her. Each time Ian gasped, Stacey made sure to slam down hard on his cock and wiggle her hips at the end so his balls nestled tightly against her ass. Oh fuck! Ian dared to speak. She stopped fucking him as soon as he did and brought her face to his, their noses touching. You dont speak unless I give you permission. Cuckolding the Husband She knew as well as her husband, they had passed the point of no return a long time ago. After months of a stale sex life, Sandra finally confronts her husband, Grant, to find out whats been bothering him. After he confesses his provocative fantasy of seeing her with another man, Sandra must decide if their marriage can handle a third wheel. Lucky for them, their neighbor Darren fits right in. What they dont know...is that Darren has a darker side in the bedroom... Excerpt: She ran her tongue up the underside of the shaft all the way to the tip twirling it at the end and making his whole body quiver and moan. She took the crown of his cock and rubbed it on her lips before sliding her mouth down and hollowing her cheeks. Fuckyoure good at sucking cock. He said as his hips slowly rocked forward, easing more of his cock down her throat. She wiggled her face at the end to get the last inch of the shaft into her mouth...
