

Sweet Charity: Texas Weddings, Book Three

A vivacious, undisciplined two year old named Charity has Shauna Alexander seriously questioning her calling as a child care provider. The toddler seems to thrive on wrecking havoc wherever she goes. Pastor Kent Chapmans heart is still raw from losing his wife. He knows he spoils his daughter, but he cant help but see his wife in her. Then during a computer repair mix-up, Kent finds himself distracted by Shauna. But when Shaunas and Kents worlds collide over the rebellious toddlers behavior, both must learn to accept responsibility and work toward reconciliation. Will the Lord cause Kent to choose between his daughter and his heart? Or will love sweeten Charity and their future? NOTE: This story was previously published in the Texas Weddings collection.
