

Better Golf: A Skill Building Approach

Better Golf: A Skill Building Approach offers a breakthrough method for acquiring better golf skills. Julius Richardson, the first African American pro to be included in Golf Magazines Top 100 Instructors in America, shows you how to get to the core of better scoring with a minimum of wasted effort. Richardson turns the spotlight directly on the learning process itself. He breaks the desirable skills of golf into components and offers intelligently sequenced drills to help you acquire them. Along with fine short game instruction, Richardson teaches Six Key Body Angles that put you in ideal anatomical position for ball striking. Touring pros use these angles with every swing. Through skill building practice, amateurs can start to acquire them, and their shots get better and better.
