

Athletic and Sport Issues in Musculoskeletal Rehabilitation - Elsevieron VitalSource

Part of David J. Magee's Musculoskeletal Rehabilitation Series, Athletic and Sport Issues in Musculoskeletal Rehabilitation provides expert insight and clear rehabilitation guidelines to help you manage injuries and special medical needs unique to athletic clients. Contributions from leading physical therapists, athletic trainers, and orthopedic surgeons give you a comprehensive, clinically relevant understanding of common sports-related injuries and help you ensure the most effective therapeutic outcomes. Addresses a broad range of sports-related injuries and conditions. Reinforces key concepts with highlighted content and hundreds of detailed illustrations. Summarizes essential information for fast, easy reference in class or in clinical settings.
