

# Fortify: The Fighters Guide to Overcoming Pornography Addiction

The problem with pornography addiction has never been worse. Tens of thousands of young people as young as seven and eight years old are finding that pornography has control over their life. Fortify: The Ultimate Fighters Guide to Overcoming Pornography Addiction, authored by the hip non-profit organization Fight the New Drug, is a complete guide to helping young men and women find the tools, gain the education, and uncover the resources necessary to help themselves and others overcome this addiction. Using research and advice from addiction recovery specialists and therapists, Fortify explains why pornography acts like an addictive drug. The book arms teens and young adults with the tools and confidence they need to fight the addiction by guiding them through a basic training program for themselves and others around them. By fortifying themselves, their relationships, and their world against pornography addiction, readers are ready to join with other fighters in the stand against pornography and its harmful effects.
