

Dreamwalkers Part One: A Young Adult Fantasy Paranormal Romance

Callum Chase would much rather be reading a good novel than playing sports, or studying a bit of Greek myth instead of mixing with those in his school. Bullied and friendless, Cal retreats every night into a world of his own making -- a world of his imagination, a world where he is master, a world of dreams. But then one day something happens that really shouldn't have happened: the girl from his dreams turns up at his school and turns his world - both the waking and the dream one - upside down... Audience: Young Adult Genre: Fantasy Theme: Dreams, Lucid Dreaming Setting: England and Renaissance Italy Word count: ca. 13,000 words Language: British English Rating: Suitable for confident readers of all ages
