

# Lillian Toos feng shui Symbols of Good Fortune (Chinese Edition)

Symbolism is a very important and integral part of feng shui practice. Symbols of good fortune are incorporated into many decorative objects we display in homes and offices and knowing their meanings adds depth and substance to the practice. The symbolism of shapes and colors also adds hidden dimensions to our practice in the same way that the elements add strength to the chi energy we live with. This indispensable book is now available in North America in a Chinese language edition. It contains full-color illustrations and in-depth references on all the most popular good fortune symbols. Learn what brings prosperity luck, what causes improved health, what can help attract love and romance and what brings continuous success. Illustrations.
