Blurb: Shays husband couldnt get through the workweek without his Wednesday evening ritual to look forward to. It starts with a close shave, then make-up, tight-fitting undergarments, and a satin gown. When he strides down the stairs, dinners on the tablebut food is the last thing on his mind. Hes just waiting for his wife to force his face between her thighs, or strap on a dildo and bend him over the table. Oh boy he can hardly wait! Warnings: This BDSM cross-dressing story contains explicit Femdom, sissification, pegging, and more! Published in the anthologies Please, Maam and My Mistress Thighs. Word Count: 3,800 Excerpt: Dressing for dinner is a ritualistic activity for me. Shay knows I need to do this part alone. From under the bed, I pull out the huge suitcase I keep locked on the off-chance the kids or Shays dad get nosy when they come to visit. Not that it would seem strange to find a make-up case, some panties, hose, heels, and the like in our bedroom; they could just as easily be Shays. I guess Im a little irrational, but it stays locked nonetheless. Foundation, powder, blush, shadow, mascara, linerslip and eyeand lipstick all get arranged like toy soldiers in front of the mirror. What have I forgotten? Oh, of course! I still need to shave. Cant do that after Ive started with the make-up. Always a new razor on Wednesdays. A close, attentive shave, and my skin is soft as a babys bottom. Every Wednesday is prom night, for me. As I toss my work clothes in the corner, my heart skips. Its incredible how the excitement of dressing never wears off. Sometimes I feel like a child, with this inexorable love of repetition. ***
