

The Shirley MacLaine Collection: The Camino, Out On a Leash, and Sage-ing While Age-ing

A collection of three books from wise, witty, fearless, and award-winning film actress, Shirley MacLaine. *The Camino*: The story of Shirley MacLaine's riveting and difficult pilgrimage along the Santiago de Compostela Camino in Spain, a journey that proved as much spiritual as physical. Following in the footsteps of the legendary figures who took the Camino before her, Shirley leads us with her trademark grace and insight on a sacred adventure that promises readers the journey of a thousand lifetimes. *Out on a Leash*: The fun, comical, and surprisingly inspiring account of how Shirley MacLaine found true, unconditional love in a furry bundle of canine charm: her dog Terry. This charming, witty, and ultimately wise memoir is an irresistible bonbon for the legions of MacLaine readers, and for dog lovers everywhere. *Sage-ing While Age-ing*: Sparked by the experience of moving into a new house, in this book Shirley MacLaine is inspired to look back across the remarkable professional and personal milestones she has experienced so far; doing so, she confronts the realities and rewards of growing older, and reflects on the greater understanding of her own place in the universe.
