

# The Messengers: Discovered

The Message worth dying for ... There's a truth out there to be discovered, a truth the government will stop at nothing to stamp out. By day, fifteen-year-old Simon pushes against the government's control over his curfew, his meals, his fun. And by night, secret visitors and hidden messages make him question everything his life entails. There's a truth out there to be discovered, a truth the government will stop at nothing to eliminate. Join Simon and the Messengers as they risk their lives to protect it.
