

Rent Me

The internet advertisement said RENT ME and that piqued Billy's interest. Ever since the evening when the stranger propositioned his wife in a bar, believing she was a high-end escort, Billy couldn't shake his arousal. To relieve the tension of a sexless couple of weeks while his wife claimed she was too tired he trolled the web for an escort for himself, and that's when he saw the ad. In spite of the blurred faces in the photos, could this really be his wife? Had she too been aroused by the idea? Well, he had to find out, didn't he?
