

Mark - A Straight Young Man? A Vivid, Homoerotic Story

Mark - A Straight Young Man? Is a vivid, homoerotic story. Richard Peters returns to one of his favourite topics: Can straight men be gay, under the right circumstances? Are straight men one hundred per cent heterosexual? Why would straight men feel homosexual attraction to other men? Can homoerotic feelings become more intense and flip over into gay sex? Paul Richards is a straight man in his early thirties, who finds a young eighteen-year old man, called Mark, has been having sex with his wife and daughter! Yet, despite this, he finds himself sympathetic to the boys lazy, indolent ways and feels protective towards him. Their odd relationship quickly develops to where Paul becomes a father figure to the young man, while he tries to get him into the discipline of work and being useful around the farm. Paul's sympathy and protectiveness develops into attraction and admiration for Mark's youth. For his part, the young Mark sees Paul as the loving father-figure he never had. On a trip to the doctor, the older man is asked a challenging question, which causes him to analyse the ever closer relationship. Extract: With the boy. Have you and he had sexual relations? Doctor Perkins smiled reassuringly. Anything you tell me is confidential. Its not unusual for men entering early middle age to feel interest in younger men. He hesitated as if in his own thoughts. A loss of their own youth often brings about an envy and even desire for the young masculine form. Their energy and youthful looks can make a man desire closeness.---The odd couple go to watch an Art movie that involves a threesome and culminates in a homosexual scene. This gets them talking in a liberated way about sex. Their closeness leads to intimacy. Extract: I should have rolled away, but I didnt. Instead, years of a sexless marriage, of a sexless life, rolled away and I felt like a young buck again.---The two go through homoerotic experiences, as the

older man tries to teach the young one how to do manual labour. Desperate and uncertain over their growing attraction for each other, Paul takes his young friend to visit hookers, but his attention is on how the young buck is getting on with his prostitute. Paul's fascination with the young man is not distracted by female flesh. Extract: I knew I shouldn't be, but I was fascinated by his naked body. So perfect, so handsome, so young and virile. I'd never really noticed male bodies too much before, but there was something about Mark that fascinated me. I couldn't get enough of looking at his lovely body. Both beautiful and handsome at the same time! I took my fill of his nubile body. His curved shoulders, his curved back, his curved bum and his cute, curved thighs. The TV held no interest to me, as I drank deep of his perfect, aesthetic beauty.---Their intimacy grows and the older man takes the young buck through his own personal Kama Sutra, where he teaches as many sex positions as the older man can remember. These remarkable scenes of intimacy lead to only one outcome, despite their native heterosexuality. This exciting work, with its homoeroticism, is for the discerning reader, as well as for adventurous men and women, willing to discover the edges of their sexuality if they are brave enough to explore. Like all Richard Peters' erotic novels, we get explicit descriptions of Male/Male sex. It is a piece of XXX rated fiction, only for those legally allowed to read such works and is not intended to be read by those who would be shocked by explicit descriptions of homosexual intercourse. The author, Richard Peters, is a prolific writer of erotic fiction. His works, while containing explicit, erotic porn descriptions, never fail to move his readers emotionally. He has written many other novels and short stories. He likes to investigate the sexuality of his characters, as he believes sexuality is not a simple black and white dichotomy (gay/straight). He believes there are many shades of grey in between
