Running Lean

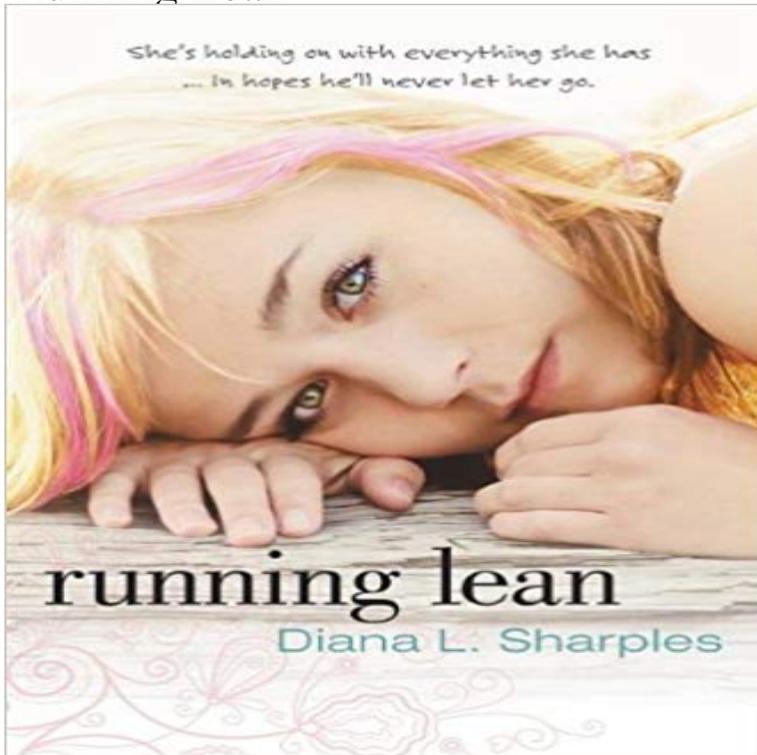

Equilibrium. Thats what Stacey and Calvin found in each other. He is as solid as his beloved vintage motorcycle and helps quiet the constant clamor in Staceys mind. She is a passionate, creative spiritand a lifeline after Calvins soldier brother dies. But lately the balance is off. Calvins grief is taking new forms. Voices of self-loathing are dominating Staceys life. When struggles with body image threaten her health, Calvin cant bear to lose another person that he loves. Taking action may destroy their relationship, but the alternative could be much more costly.

Running Lean by Ash Maurya, 9781449305178, available at Book Depository with free delivery worldwide.Ash Maurya is the author of the international bestseller Running Lean: How to Iterate from Plan A to a plan that works and the creator of the one-page businessRunning Lean is a systematic process for iterating from Plan A to a plan that works. Running Lean is about engaging customers throughout the product.Running Lean provides a step-by-step blueprint to put these ideas into action.
