Pyramids, pyramid energyIts effect on human body, clinically provenThis is Radovans first publication which has special background of creation.It is a scientific book which sheds new light on pyramids, pyramid energy & its effects on the human body.Author managed to gain some information from his dream, mainly the graph of (Bio)Resonance & was subsequently used in this first book.Did you know that each organ works on a specific frequency & colours? Did you know that human organs are connected to the seven elements? Pyramid energy is created from the combined energies of all seven elements around us. The completely new information in this dramatic new book is based on meticulous scientific research endorsed by sources & full references which are clearly stated.Book explainsHow science/doctors accept & explain mysterious pyramid energy How scientists succeeded in taking photographs of pyramid energy by high frequency high voltage technology Pyramid energy is a form of electromagnetic frequency signals How human organs/chakras work on frequencies matching specific colours Pyramid energy has an effect on human organs, cells, DNA due to the Bioresonance ??? BioresonanceBioresonance is an electrotechnical phenomenon whereby we understand the same frequencies exist in pyramid and human body (Solfeggio frequencies). Comparable is technology of radio waves - pyramid as transmitter of frequencies and human body serving as receiver of these same frequencies. Due to these frequencies & Bioresonance, organs, cells work to their maximum performance which speeds up & enforces self-healing & the self-regenerating processes of human body. This technology is capable to naturally heal any kind of disease including Cancer. ??? What doctors say about pyramid energy and its healing

powersPyramid technology has been used for long time in many medical facilities mainly in Slovakia, Poland etc. In 2012 internist doctor MUDr. Vojtech Popik, private medical facility Cumulus Ltd., Slovakia, Eastern Europe, said:We use pyramid energy as supportive alternative healing method in field of physiotherapy, balneology & healing rehabilitation. Healing technology is used as complementary alongside with conventional healing medicine. Principle is within using & harnessing positive effects of pyramid energy on human body.Impulse to the use of pyramid energy was based on study of relevant amount of scientific literature same as interest to develop this kind of alternative healing for prosperity of the health.In the category of physiotherapy, balneology & healing rehabilitation we came to following evidence & statistics:\*85 % of patients - positive effect & faster healing by pyramid energy\*10 % of patients - minimal or non-existent effect\*5% of patients - patients cannot stay inside the pyramid for the recommended time period ??? Briefly about author & his personal noteRadovan has been doing professional, deep & profound research within the field of Pyramidology & pyramid energy. This can be supported even by his qualification in pyramid energy field same as other qualification(See authors central for more details). The technology of pyramids has been helping me & my family personally with many health problems & diseases physical & mental. My sincere intention is to help people by providing relevant information & research results to show people being naturally healed in the same way as I have been doing myself. If you have any serious disease, even Cancer, do not lose hope. There is solution for you. Each human body has a natural tendency to heal from any kind of disease including Cancer. Faith in success is halfway to success itself. Radovan BabicScroll up to LOOK INSIDE same as to see 30 seconds video trailer for this book.
