Sharis NOT that kind of girl! Or is she? Watching girl on girl sex has been a fantasy of Liams for some time, but Sharis always been hesitant to try it. How would they ever find the right woman and even if they did, would that mean it would end up in a menage a trois? Shes not going to share her ripped guy with any other woman. Period! That is until the camping weekend... It was supposed to be a fun time for the two couples--Shari and Liam and Riley and Zach the guys doing manly guy things, fishing and stuff and a chance for Shari to catch up with her BFF from grade school, Riley. When Zach has to cancel at the last minute, Riley tags along anyway. Is it being in a secluded beautiful setting or the wacky tabacy that wild and sexy Riley brings along? Clothes and inhibitions are soon shed! When Liam catches the two girls sex-ploring each others bodies, hes totally turned on! This is his dream come true! Oh my God! It gets even better! Shari asks him to join them, and Liams fishing pole is replaced with something much more personal and urgent. She wants to share him with her girlfriend? In a New York minute, his clothes are off. Join them in this playful, erotic threesome! And dont forget the sunscreen. Warning: Contains explicit sexual scenes.
