

# Songs of Innocence (Illuminated Manuscript with the Original Illustrations of William Blake)

This carefully crafted ebook: Songs of Innocence (Illuminated Manuscript with the Original Illustrations of William Blake) is formatted for your eReader with a functional and detailed table of contents. Songs of Innocence was the first of Blake's illuminated books published in 1789. It is a cheerful and optimistic volume which concerns itself with such themes as springtime, children's games, the freedom of the human spirit, and a kind and loving God. The poems and artwork were reproduced by copperplate engraving and colored with washes by hand. William Blake (1757–1827) was a British poet, painter, visionary mystic, and engraver, who illustrated and printed his own books. Blake proclaimed the supremacy of the imagination over the rationalism and materialism of the 18th-century. Largely unrecognised during his lifetime, Blake is now considered a seminal figure in the history of both the poetry and visual arts of the Romantic Age.
