Use Me Hard (21,000 words)--Never insult a rich playboy who has a room full of whips and a heart of stone. Detailed Summary: Ride Me Hard--Tina has always wanted a man to sexually dominate her, using her for his own pleasure. When her long-distance boyfriend returns home with ropes and nipple clamps, she has the chance to live out her submission fantasies. Her boyfriend has ideas of his own, however, and hes clearly done this before... Love Me Hard--When Rachel hikes into the mountains for a weekend away from everyone and everything, she never imagines shell be sharing a cabin with one of the hottest, richest men in the country. Maxwell is a gentleman, charming and kind. Hes also a perceptive Dom, and to her humiliation, he notices Rachels arousal. Soon she finds herself stripped, serving the handsome strangers pleasure while she tells herself--and him--that its just for one night. Use Me Hard--Even before Alyssa meets Eric at Maxwells party, she knows all about him. That he likes to tie up submissives, that he has a dungeon somewhere and that he breaks more hearts in three months than most guys do their whole lives. As far as shes concerned, Eric is just another rich playboy, and Alyssa knows men like him are good for one thing: nothing! When Eric overhears her claiming that he cant possibly be good in bed, he challenges her to prove it--one week, no sex until she begs for it. Instead of slapping him, she accepts. She cant pass

up the opportunity to make him publicly admit that hes clueless about women.If he wins ... but he couldnt possibly win. Could he?These BDSM romances contain explicit sexual content and graphic language that may be objectionable to some readers. For adults only.
