

The Day War Came: A short story of a young girl's first war (Short stories of a young girl's first war Book 1)

This is my first war. Twelve-year-old Ruth Imker had been running her whole life. From Vienna to Cologne. From Cologne to Rotterdam. Running. Always running. Rotterdam was supposed to be safe. But the Germans came. With nowhere to hide, with nowhere safe, Ruth Imker must get off the island of IJsselmonde if she is to survive. The trouble is that the German army wants the island too. Ruth's unlikely protector is an officer-cadet from Queen Wilhelmina's navy. Together the two are thrown into the midst of the Netherlands' first day of war. ----- The Day When War Came is a short story of courage and survival. Of reliance and unlikely friendship. The Day When War Came is a story of one girl's first war.
