

# The Jossey-Bass Reader on Educational Leadership

Filled with critical insights from best-selling authors and expert practitioners, this unique anthology presents important articles, seminal reports, and book excerpts defining the field of educational leadership today. This comprehensive reader features twenty-four chapters in five primary areas of educational research and concern: Leadership, management, and organizational behavior\* Principals, superintendents, and other leaders\* Diversity, including gender and race issues\* Moral leadership and building community\* Shared leadership between educators Both policy and practice are the focus of this rich and varied volume. The authors base their findings on real-world experience and leading-edge research---sharing practical lessons and strategies for the school or classroom. From the scholar to the practitioner, The Jossey-Bass Reader on Educational Leadership is a powerhouse of valuable information.
