

The Little Black Book for Girlz: A Book on Healthy Sexuality

Check it out: not just a book about sex, but a look at girl culture by youth themselves. No stuffy school textbook. No nosey adults. Just a diverse group of teen girls from a community youth project who had questions about sexuality. To find answers, they collected stories, poetry, and artwork from other youth. They also interviewed frontline health experts to get solid facts about the stuff young women have to deal with. Its a great mix of real-life examples and life-saving info. Topics include: Relationships Periods Sex Birth control Pregnancy Sexually Transmitted Infections / AIDS Sexual assault. Everything has been vetted by doctors, and the book is endorsed by health professionals, so you know youre getting good info. Theres also a section at the back with places you can contact to find out more. Its all stuff that youth need to know, and its all decked out in a compact, easy-to-browse zine style. The Little Black Book for Girlz is a super-important, take-anywhere empowerment guide for girls. Dont leave your teen years without it.
