

Miss Cootes Confession: or; The Voluptuous Experiences of an Old Maid

Miss Cootes Confessions tells the sumptuously decadent coming-of-age tale of our young protagonist Rosa, from her first experiences of the cane and birch to her gradual but steady moral decline and sexual predilection for all things humiliating. Her explicit letters reveal the orgiastic abandons the upper classes revelled within, as the liberating stings of chastisement led naturally to all manner lascivious deeds and debaucheries. From the same pseudonymous pen that brought us the deliciously wicked Convent School, this true classic of Victorian Erotica, presented herein with all ten parts as originally appeared in the notorious periodical The Pearl, will be sure to satisfy those eager followers all things whip and rod.
