

The Politically Incorrect Guide to the Vietnam War (The Politically Incorrect Guides)

The Vietnam War was a tragic and dismal failure at least that is what the mainstream media and history books would have you believe. Yet, Phillip Jennings sets the record straight in *The Politically Incorrect Guide to the Vietnam War*. In this latest P.I.G., Jennings shatters culturally-accepted myths and busts politically incorrect lies that liberal pundits and leftist professors have been telling you for years. Bet you didn't know that: The U.S. did not lose the Vietnam War we won it. The U.S. achieved our goal we stopped the spread of Communism. The U.S. did not suffer significant battlefield losses. The cultural chaos of the 1960s and 1970s negatively influenced the Vietnam War not vice versa. The Vietnam War was the most important and successful campaign to defeat Communism. Without the sacrifices made and the courage displayed by our military, the world might be a different place. *The Politically Incorrect Guide to the Vietnam War* proves the above and more as Jennings reveals the truth about the battles, players, and policies of one of the most controversial wars in U.S. history.
